

Promote Healthy Hygiene Habits This Winter Season

Winter is coming, and with the cold weather comes increased contact with germs. Fortunately, it's easy to encourage frequent handwashing and hand sanitizing as a first line of defense. Plus, add surface disinfection to regular cleaning routines to help reduce germs that may cause illness.

BE PREPARED

As cold weather begins, people gather indoors. Prepare your facility with trusted hygiene solutions.

PRIORITIZE PLACEMENT

Place hygiene products near busy areas and frequently touched items in your building.

SUPPORT WELL-BEING

Promote frequent use of hand hygiene and surface disinfection products to ensure a cleaner facility.
