List Price: \$5,091

**Contract Price: \$2,494.59**

# Private Office

Stride®

Involve®

Approach™

Cadence®

## Stride®

Stride is a comprehensive collection of surfaces, storage, and traditional and light-scale space division that creates productive and inspiring workspaces that support different tasks and worker generations.

A flexible kit-of-parts works together throughout the entire office to respond to changing needs, from traditional panel-based workstations to high-performance private offices with complementary storage and desking options.

Stride offers great design for a variety of workers, and for changing business needs. In addition to desking, Stride also offers panels, benching, and storage.

List Price: \$14,349

**Contract Price: \$4,376.45**

## Involve®

Involve's modular design brings everything together to accommodate all the different ways work gets done, from private office to open plan and beyond. It incorporates soft seating to encourage spontaneous interaction, laminate storage options that support active work, and worksurfaces and screens that define space and create varied separation.

Beautiful, durable laminate storage options define private office space, whether you prefer a traditional style or a more progressive look. Choose from a variety of worksurface sizes and shapes, as well as table legs, stanchions, and supports to help you design solutions that accommodate a range of workstyles and aesthetics.

List Price: \$13,236

**Contract Price: \$4,036.98**

## Approach™

Approach provides a portfolio of modular options that inspires you to rethink how the private office can be designed to address today's needs, change over time, and even serve more than one purpose.

Sit-to-stand worksurfaces enable users to vary their posture throughout the day, with the height-adjustable legs concealed within a shroud or pedestal storage.

Approach offers a to-the-floor base or a lighter-scale footed design. Choose from a variety of solid and woodgrain laminate colors, numerous fabrics for tackboards and pedestal seat cushions, and multiple storage pull styles. Approach offers a mix of materials to support your design vision.

List Price: \$11,161

**Contract Price: \$3,404.11**

## Cadence®

Cadence offers freestanding desks, credenzas, and storage for unlimited versatility in a private office setting. Its modular flexibility lets you personalize any environment and accommodate a range of needs with a variety of worksurface shapes, multiple worksurface edges, and a complete paint finish and laminate offering. Plus, it's compatible with Concensus, Allsteel storage solutions, and Extensions work tools.

Durable, long-lasting, heavy-gauge steel construction and metal-to-metal connection points make installation and reconfiguration reliable and easy.

List Price: \$8,977

**Contract Price: \$2,737.99**

# Workstations

Stride®

Further™

Terrace®

Optimize™

Concensys®

### Stride® Benching

Stride is well-suited for a flexible, collaborative environment. It fosters collaboration by eliminating barriers to teamwork, supports users who spend the majority of their day away from their workspace, and can be scaled to meet the needs of a variety of workers.

Stride features unique storage, a range of separation options, and exceptionally easy access to power. It blends cohesively with the full Stride offering to create a beautiful, functional space. In addition to benching, Stride also offers panels, desking, and storage.

Integrated height-adjustable workstations available with Stride Sit-to-Stand.

List Price: \$41,675

**Contract Price: \$3,177.77**  
per station

### Further™

Adapt quickly and easily to workplace changes with Further's intuitive kit-of-parts of. Its unique hub provides power and data support and can be beam-connected or freestanding. Create and combine linear or organic configurations using trapezoid and rectangle worksurface shapes.

Choose from a range of storage options, worksurface sizes and shapes, screen types and materials, storage, and other various design options. Available in a variety of paint colors and screen materials, including glass and user-movable fabric screens.

Integrated height-adjustable workstations available with Further Adaptive.

List Price: \$29,245

**Contract Price: \$2,229.93**  
per station

### Stride®

Stride is a comprehensive collection of surfaces, storage, and traditional and light-scale space division that creates productive and inspiring workspaces that support different tasks and worker generations.

A flexible kit-of-parts works together throughout the entire office to respond to changing needs, from traditional panel-based workstations to high-performance private offices with complementary storage and desking options.

Stride offers great design for a variety of workers, and for changing business needs. In addition to panels, Stride also offers desking, benching, and storage.

List Price: \$48,618

**Contract Price: \$3,707.13**  
per station

### Optimize™

Outfit faculty offices, create teaming areas, replace a reception desk, or add new administrative spaces with Optimize. Panels feature a welded steel frame for long-lasting durability, while design options provide for an updated aesthetic.

Choose from a range of storage options, worksurface sizes and shapes, framed or frameless panel glass, and various design options. Coordinates with other products, such as Essentials™ storage, Cadence® desking, and more for applications throughout the office. Available in a variety of paint colors and panel materials, including frameless glass.

List Price: \$22,060

**Contract Price: \$1,682.08**  
per station

<b>Contract Price:</b>	<b>\$826.40</b>	<b>\$828.10</b>	<b>\$959.42</b>

## Harvest™

Inspired by gathering spaces where people talk and share, like the dining room table or coffee area in the workplace, Harvest is a table offered in a variety of sizes with power and data capability.

Choose from classic, rustic, and metal options in standing or seated heights. Available in a range of finishes.

Top:  
Base:

List Price:	\$4,276	\$4,502	\$3,837	\$4,426
<b>Contract Price:</b>	<b>\$2,095.24</b>	<b>\$2,205.98</b>	<b>\$1,880.13</b>	<b>\$2,168.74</b>

## Parallel™

Parallel side and coffee tables adapt to a variety of spaces. From reception areas to collaborative spaces, Parallel accommodates different functions while maintaining a consistent aesthetic.

Choose from side or coffee table. Offering includes club and club plus chairs and sofa.

List Price:	\$1,055	\$1,380
<b>Contract Price:</b>	<b>\$516.95</b>	<b>\$676.20</b>

## Belong<sup>®</sup>

Spun-aluminum occasional tables offer support for small-group meeting areas and collaborative spaces. The hourglass sculpted shape provides ample legroom for users to get close and use as a work table.

Choose from side or coffee table. Available in a range of finishes with multiple top options.

		
<b>Top:</b>	<b>S912T16G</b>	<b>S912T32L</b>

### Organizational Tools

Extensions accessories include organizational tools, including paper management solutions, to remove clutter from the worksurface and help keep individuals organized. It's easy to manage clutter with bins, caddies, shelves, and holders that can be rearranged as needs change.

Choose from freestanding or options that hang from the tool tile or rail.

#### Tool Tile and Rail

Tool tile and rail options provide sturdy aluminum extrusions with steel support construction and durable powder-coat finish. Tool tile works with all Allsteel systems except Concensys® and Optimize™, which offer an integrated tool rail.

Available in a variety of colors to complement the workstation.

## About National IPA

National IPA saves you time and money. Participating in the cooperative buying power of more than 48,000 entities allows you to pay less for products and reduce administrative costs, which helps you do more with less. So why is National IPA so effective at creating more economical buying opportunities for you? Because we offer strength in numbers and years of procurement experience, you can have confidence in every contract.

We understand the challenges you face as you successfully support and serve your complex campus. National IPA, with our team of experts dedicated specifically to higher education, wants to partner with you to ease some of that burden. We offer a comprehensive portfolio of superior contracts for products and services with industry-leading suppliers.

National IPA is proud to offer two competitively solicited and publicly awarded cooperative contracts with Allsteel:

- **Region 4 Education Service Center (Contract: R142201) – Furniture and Installation**
- **County of Dupage (Contract: P15-150-DT) – Office Furniture and Filing Systems**

There are no fees, minimums or obligations to participate!
