

# WE MAKE IT EASIER To Source Your Automotive Parts and Supplies

## OMNIA Partners, Public Sector

Kent Automotive, a division of Lawson Products, is a premier supplier to the automotive industry, including fleet and equipment maintenance. When partnering with Kent and Lawson, we promise to deliver a best-in-class automotive, fleet, and heavy equipment maintenance solution with a cohesive, cost-reducing procurement program that includes:

- ✔ A complete line of automotive parts and supplies
- ✔ Specialized pricing for your unique items, including free freight
- ✔ A single point of contact to answer all questions and take care of any needs
- ✔ The flexibility and control of a Customer Managed Inventory (CMI) program
- ✔ Proven strategies that reduce product and process costs
- ✔ Superior distribution capabilities through our low-cost, strategic network
- ✔ Flexible reporting and billing options to meet your needs
- ✔ A relentless focus on continuous improvement and quality assurance
